Lake George Conservation Club Picnic Recap

We had a great turn out of neighbors on a lovely Sunday on Lake George. Birdie did a magnificent job creating and preparing the raffle prizes for kids and adults. Tami, Birdie and Vicky served delicious food from Smokey's Barbecue. We had yummy ribs, pulled chicken and pork with sides of Mac 'n Cheese and Memphis Coleslaw.

Prizes were awarded for the best decorated boat in the 4th of July parade. The Joachum boat won first prize decorated in red, white, and blue. They received the traveling trophy plus a \$25 gift certificate. Cassie and Jay Edwardson earned second prize for their themed "B2 Bomber and Escort " and received a \$15 gift certificate. Third prize/Honorable Mention goes to Seth and Janine Goettl along with Junior Commodores Emma, Ethan, and Noah. A special award for "Valiant Effort" to Jackie, Michelle, Jac, Ambrose, and Gregory who are family of Todd Mester and Terry Thommes crew who decorated their paddle boat.

Juanita Reed Boniface, Chairperson for the Lake George Improvement District (LGID) gave a warm speech of appreciation to departing Treasurer, Dick Werner, and his beloved, supportive wife Rosie.

The big event of the picnic (after eating delicious food) was the raffle. We had 12 Kids Prizes and 23 Adult prizes.

Our 2024 raffle ticket sales were \$205.00 with proceeds going to the club. The \$50 raffle prize was won by Vicky Willken. All raffle winners were delighted with their choices.

Thank you to the following members for their donations to the raffle items.
